TRiO SSS STEM Program

OSU was awarded an additional TRiO grant starting Sept. 1st, 2015. Students in STEM-SSS will have the same services as students in the regular SSS program. TRiO faculty will be hiring more staff and will be recruiting throughout the year to fill the 120 available participant spots

TRiO STEM provides specialized services geared specifically to support the needs of first-generation, low income and/or students with disabilities to students in Science, Technology, Engineering and Math. TRiO Programs have documented success in assisting students with their academic and professional endeavors. The TRiO STEM staff is dedicated to the personal and academic success of the students in our program.

TRiO-SSS Peer Mentor Program

Goal

The TRiO SSS Peer Mentor Program is there to support new TRiO-SSS participants by pairing them with upper class students who have similar majors and interests. TRiO-SSS Peer Mentors will assist students with their transition to the university by connecting students to the broader campus community and resources.
