Interested in research but don't know how to get started?

Research is a great way to gain experience to build your resumé and maybe even get paid!

Come join us at the Research Mixer to network with students currently in research, and faculty who are searching for researchers.

Overcome the fear of talking to professors, and potentially connect with a mentor!

There will be **FREE** food!

Accommodation requests related to a disability should be made by January 20th to Amy Davila-Klautzsch at Amy.Davila-Klautzsch@oregonstate.edu
